

Good Evening Parkview Parents/Gaurdians,

Device insurance is now available for students with LRSD devices. For the cost of \$26 dollars a Chromebook is covered for manufacturer defects, mechanical/hardware failure, drops, liquid damage, cracked screens, and power surges. If you choose to decline insurance, the cost for repairing a device will be the responsibility of the parent/gaudian. Please use the link and directions below to purchase Chromebook insurance. Thank you and have a wonderful evening!
