ABSENCES

If any student's Individual Education Program (IEP) or 504 Plan conflicts with this policy, the requirements of the student's IEP or 504 Plan take precedence. Education is more than the grades students receive in their courses. Important as that is, students' regular attendance at school, whether in person or digitally, is

essential to their social and cultural development and helps prepare them to accept responsibilities they will face as an adult. Interactions with other students and participation in the instruction within the classroom enrich the learning environment and promote a continuity of instruction which results in higher student achievement.

Absences for students enrolled in synchronous digital courses shall be determined in the same manner as for District students attending courses in person Excused Absences Excused absences are those where the student was on official school business or when the achievement. Absences for students enrolled in synchronous digital courses shall be determined in the same manner as for District students attending courses in person Excused Absences Excused absences are those where the student was on official school business or when the absence was due to one of the following reasons:

The student's illness or when attendance could jeopardize the health of other students.

A maximum of six (6) such days are allowed per semester unless the condition(s) causing such absences is of a chronic or recurring nature, is medically documented, and approved by the principal.

1. Death or serious illness in their immediate family
2. Observance of recognized holidays observed by the student's faith;
3. Attendance at an appointment with a government agency;

8. Absences granted to allow a student to visit his/her parent or legal guardian who is a member of the military and been called to active duty, is on leave from active duty, or has returned from deployment to a combat zone or combat support posting. The number of additional excused absences shall be at the discretion of the superintendent or designee.

9. Absences granted, at the Superintendent's discretion, to seventeen (17) year-old students who join the Arkansas National Guard while in eleventh grade to complete basic combat training between grades eleven (11) and (12).

10. Absences for students excluded from school by the Arkansas Department of Health during a disease outbreak because the student has an immunization waiver or whose immunizations are not up to date. Students who serve as Pages for a member of the General Assembly shall be considered on instructional assignment and shall not be considered absent from school for the day the student is serving as a page.

Excused Absences

In order for the absence to be considered excused, the student must:

1. Bring a written statement to the principal or designee upon the student's return to school from the student's parent or legal guardian stating the reason for the student's absence; or
2. If the student is attending the District's courses digitally, upload a written statement from the student's parent or legal guardian stating the reason for the student's absence through the District's digital course management platform for review by the principal or designee.

A written statement presented or uploaded for an absence having occurred more than five (5) school days prior to its presentation or upload will not be accepted. Unexcused Absences

Absences that are not defined above; do not have an accompanying note from the parent; legal guardian; person having lawful control of the student; or person standing in loco parentis, or have an accompanying note that is not presented or uploaded within the timeline required by this policy, shall be considered as unexcused absences.

Students with (12) unexcused absences in a course in a semester may not receive credit for that course. At the discretion of the principal after consultation with persons having knowledge of the circumstances of the unexcused absences, the student may be denied promotion or graduation.

Excessive absences

3. Excessive absences shall not be a reason for expulsion or dismissal of a student. When a student has 6 unexcused absences, his/her parents, legal

guardians, persons with lawful control of the student, or persons standing in loco parentis shall be notified. Notification shall be by telephone by the end of the school day in which such absence occurred or by regular mail with a return address sent no later than the following school day. Whenever a student exceeds 12 unexcused absences in a semester, the District shall notify the prosecuting authority and the parent, legal guardian, person having lawful control of the student, or persons standing in loco parentis shall be subject to a civil penalty as prescribed by law.

It is the Arkansas General Assembly's intention that students having excessive absences be given assistance in obtaining credit for their courses. Therefore, at any time prior to when a student exceeds the number of unexcused absences permitted by this policy, the student, or his/her parent, legal guardian, person with lawful control of the student, or person standing in loco parentis may petition the school or district's administration for special arrangements to address the student's unexcused absences.
